

Detachment Adjutant

Ned Fox-2017-2018

Welcome to the 80th Annual Detachment Convention

On behalf of the Adjutants office it is my pleasure to welcome you to Sacramento, California and the McClellan Business Park, McClellan, Ca. The Detachment Convention will be in the McClellan room at the McClellan Convention Center. It has also been a pleasure serving your Detachment this past year at the request of Commander Tomidan Jordan.

Over the past year we have had two productive Detachment Executive Committee meetings, leadership training and Leadership conference with the Western States.

As you enjoy the many activities available please make sure that you attend your meetings. As delegates to this convention you have been entrusted to participate in the business of the Detachment. Your input is vital in making the decisions that will affect every squadron in this Detachment.

Membership is a vital part of all organizations and as we approach another milestone in membership we are hopeful in surpassing our goal of over 12, 000 members. With the ongoing hard work of our Legion Family we will continue to grow as an organization.

Also I wish to express my sincere thanks to the American Legion Department Staff for all the hard their work and professionalism in keeping the information flowing to all concerned.

Thank you to our Veterans for all the sacrifices they endure.

Detachment Adjutant Nedley Fox
