

Mr. Doe,

It is my pleasure to tell you that you are being awarded the Individual Recruitment Award. Your hard work and dedication in recruiting five new members to this great organization has earned you the IRA pin. I want to thank you for believing in the Sons enough that you spread the good word of the Sons and had 5 new members join.

On behalf of National Membership Chairman Navarrete, National Vice Commander XXX, and myself, I want to say thank you, and we appreciate all of your effort. Your pins will be mailed out this week to your home address and I hope that you wear it with pride.

Please don't stop promoting the Sons, and encourage others to join in your efforts of spreading the word.

Thank you again,

Respectfully,  
Mike Monserud
